MONMOUTH COUNTY GOING MOBILE IN OCEAN TOWNSHIP

Monmouth County: Monmouth County Clerk Christine Hanlon, Sheriff Shaun Golden and Surrogate Rosemarie Peters are pleased to continue to deliver county services and programs directly into communities through the Mobile County Connection.

“We are proud to offer such an important outreach program which provides valuable services to our residents,” said Christine Hanlon, Monmouth County Clerk. “It is the first of its kind in Monmouth County and features mobile government services that have been connecting people with government in their communities.”

The Mobile County Connection office is housed in a large mobile command center and will be rolled out at Ocean Township’s Town Hall located at 399 Monmouth Road, Oakhurst on June 29 from 11am to 2pm. During the event, residents will be able to apply for and renew their passports as well as have passport photos taken. Residents will also have access to free notary services and voter/election information. The Monmouth County Sheriff’s Office will be offering Youth and Ident-Adult Identification Cards and information on the proper installation of child safety seats, along with other agency services. In addition, there will be information on the Monmouth County Surrogate’s Office regarding estate, guardianship and adoption services and other programs offered throughout the county.

“It’s been a pleasure bringing the Mobile County Connection to communities and meeting the residents who have utilized its services,” said Rosemarie Peters, Monmouth County Surrogate. “Having access to county government services on wheels allows us to better serve the public.”
