2. Sample Ballots	
Primary Election	287,479
General Election	301,482
3. Election Districts	
Total for 1992	414

ELECTION SECTION

In 1992, the Election Section performed the following functions under Title 19:

Prepared all Municipal Petitions for Mayors, Members of Borough Council, Township Committee and County Committee.

Assisted Municipal Clerks in their various Municipal and Special Municipal Elections including the printing of their sample ballots, absentee ballots and voting machine strips.

Prepared the 1992 Primary Election and General Election sample ballots, machine ballots and computerized absentee ballots.

Designed, prepared, printed and packaged the 1992 Primary and General Election emergency ballots.

Processed in excess of 24,947 absentee ballots requests.

Canvassed the Primary and General Elections for Federal, County and Municipal Candidates.

Verified petition signatures for both Republican and Democratic county candidates and all Independent candidates.

Revised election board workers election kits for use in both the Primary and General Elections.

U.S. Congressional redistricting was completed. Monmouth County is represented by district 4, 6, and 12. Middletown Township was divided between districts 6 and 12 and Spring Lake Heights Borough was divided between districts 4 and 6. These split districts caused double printing and proofing of all ballots and related materials involving these municipalities.
