

If you've already submitted a request for a vote-by-mail ballot for the November 2 General Election of the permanent mail-in ballot list, there is no need to submit another request.

Dear (First Name),

New Jersey offers many convenient ways to vote in 2021 — vote by mail, voting early in-person, or voting on Election Day. I have enclosed a vote-by-mail ballot application already filled out with your name and address.

**Voting by mail is EASY.** Just sign, date, and complete the application. Drop it in the mail and you will receive a ballot from your local county clerk which you can complete and return without ever leaving your home. No waiting in line.

Be sure to check the box at the top of the application to get a vote-by-mail ballot in 2021 and in all future elections.

By voting by mail from your home, and not waiting until Election Day, you've already done your part. You simply get to look forward to Election Day and hearing about the results.

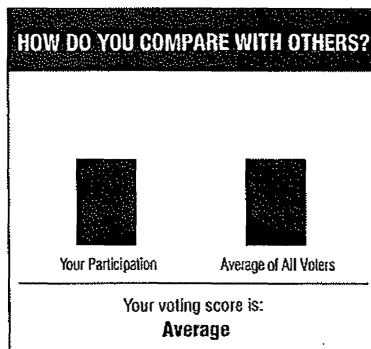

You can even research the candidates as you vote.

79% of voters in New Jersey cast their ballots before Election day in the 2020 election. Join them in 2021 by returning this application to vote by mail.

This report provides you with a helpful summary of how often you vote and how your voting compares with others in your state.

**Your privacy is protected.** If you use the enclosed envelope with pre-paid postage, your application will be delivered directly to your local county clerk.

You can check your ballot status at: [trackmyballot.nj.gov](http://trackmyballot.nj.gov)

Sincerely,

Tom Lopach, President  
The Voter Participation Center

P.S. We have already filled in your name and address on the enclosed form. **Please take a minute to complete the form, sign and date it and place the form in the pre-addressed, postage-paid envelope.** Thank you.

\*Your participation score was calculated by the Voter Participation Center using data from publicly available state voter files.
